

Maersk GO

Booking guide.

The screenshot displays the Maersk GO web application interface. At the top, the Maersk logo is followed by navigation links: Prices, Book, Tracking, Schedules, Logistics solutions, and Manage. A language dropdown is set to 'En'. The main content area features a 'Hub' sidebar with links to Shipments, Partners, Locked rates, MyCustoms, and MyFinance. A 'Welcome, Jane' message is accompanied by a notification: 'Twill is now called Maersk Go. It looks different, but has the same booking and shipping experience you know. Learn more'. A dark blue call-to-action box asks 'Ready to book your next shipment?' and notes 'It's been 19 days since your last shipment'. The 'Upcoming shipments' section lists: 'Estimated Pick-up 25 May 2022 4A123C1P to Rotterdam' (4d later), 'Estimated Delivery 12 Jun 2022 5B456D2Q to Budapest, HU' (On time), and another 'On time' shipment. A world map is visible in the background. A 'Shipments' list shows a shipment from Bremerhaven, DE to Budapest, HU with a 'Tasks due' indicator and a progress bar. Below, a 'Booking confirmation' for 5B456D2Q to Budapest, HU is shown with a 'Due today' status. A 'Show all tasks' link is at the bottom.

An illustration shows a person in a light blue shirt and dark pants standing and interacting with a large digital screen displaying the Maersk GO interface. Another person is sitting on a blue sofa in the foreground, looking at a laptop. The screen shows a 'Book a new shipment' form and a 'Re-book a previous shipment' section.

Welcome to Maersk Go!
Twill is now Maersk Go! We look different, but we are still the same booking and shipping experience you've come to love.
