Emergency Peak Season Surcharge (PSS) for export shipments from Mainland China & Hong Kong

Dear Valued Customer,

Due to recent unexpected and very significant increases in key factors impacting shipping operational costs, MCC is implementing an emergency charge globally.

For **exports from Mainland China & Hong Kong**, we will introduce an emergency **Peak Season Surcharge (PSS)**. The surcharge will apply to all export shipments on all trades from Mainland China & Hong Kong, and it will be **effective 1st July 2018**.

The emergency PSS will also apply to corridors that already have a PSS.

The surcharge tariffs are as follows:

Scope	20' Dry / 20' Reefer	40' Dry / 40' HC / 40' Reefer	45' HC
Mainland China & Hong Kong origins to All destinations*	USD 25	USD 50	USD 50

The emergency charge level will be reviewed as and when significant increase or reduction of key shipping cost elements occurs.

We thank you for your understanding and continued support. Should you have any questions, concerns or clarifications, you may reach out to your local MCC Transport representatives.

Yours Faithfully,

MCC Transport
