## **Introducing Misdeclaration Fee - Dangerous Cargo (Short Sea)**

Dear Valued Customer,

Every cargo not correctly declared can endanger the safety of our crews, our assets, the environment and other customers' cargo.

As we continue to detect quite a number of misdeclarations, starting on **20 September 2019 (Pricing Calculation Date)** all customers who misdeclare their dangerous cargo will be charged a fee of **USD5,000 per B/L**. Any additional cost that will result from taking corrective action will be charged on top of this fee.

We continue to work towards reducing risks for all parties involved in the handling and transportation of cargo, as well as an overall industry improvement of safety and reliability

Thank you for your continuous support. Should you have any questions, concerns or clarifications, please feel free to reach out to your local sales or customer service representative or visit our website <https://www.maersk.com>

Best regards,
