

# Thailand's SOP Container Seal Policy (Live Reefer container)

All containers moving under ML group bill of lading must have a high security bolt seal and sling seal for EXP shipment of Maersk group (Maersk Line, MCC and Saf marine)

Applied to all brand of AP moller - Maersk group

## Approved Seal Type and Placement

### Sling Seal

- ✓ Applied for EXPORT shipment
- ✓ Location Locking Rod #2 and #3 after secured Maersk seal

Notes:  
Plastic Strap Seals do not comply.
