Fossil Fuel Fee (FFF) for Contracts over 3 months validity

Dear Customer,

Maersk has reviewed its Fossil Fuel Fee (FFF) and the new tariffs will be effective 01 October 2024.

We have used Platts' fuel price index for 0,5% Sulphur fuel oil (VLSFO) & 0,1% Sulphur fuel oil (LSMGO) for the FFF calculation. The details on the period used for the calculation can be found in the table below:

	Fuel Reference Period for Q4-FFF				Effective Date	Fuel Type	Average (In USD per ton)
	From Date	From Month	To Date	To Month			
Maersk & Intra-America	11	May	10	August	01-Oct-24	VLSFO (0,5%S)	586,59
	11	May	10	August	01-Oct-24	LSMGO (0,1%S)	750,28
Intra Asia	11	May	10	August	01-Oct-24	VLSFO (0,5%S)	605,74
	11	May	10	August	01-Oct-24	LSMGO (0,1%S)	730,68

Starting from July 1st, all new contractual quotes over 3 months validity will be quoted with FFF.

Pre-existing contracts with BAF and LSS will continue as is until the time of renewal, at which point they will transition to FFF. Therefore, we will continue to publish BAF and LSS tariff rates. This is being done to avoid any unexpected impact to these pre-existing contracts.

Should you have any questions or require further clarification, please do not hesitate to reach out to your Maersk Sales representative.

Sincerely,
A. P. Moller – Maersk

FFF tariff values applicable from 01 October 2024 for Trades from and to Vietnam:
