Connect to Dubai and the GCC

What do you do when your shipment must get moving quickly, but it's too small to fill a container?

Presenting Maersk Less-than-Container Load solutions for UAE.

From vastly improving lead times to eliminating coordination with multiple vendors, our LCL solutions aim to deliver a truly seamless supply chain experience.

You can also leverage our global network and our range of offerings to minimise handovers and touchpoints and keep your cargo moving without stops – from its origin in India, Pakistan, China or Vietnam to destinations in Saudi Arabia, Oman, Qatar, Kuwait and Bahrain.

What we promise

Predictable lead times and schedules

Competitive pricing

Safe handling and proper packing of cargo

Total cargo visibility from origin to destination

Simplified network for door-to-door delivery

The Maersk advantage

End-to-end coordination

Single point of contact

Improved speed-to-market

Globally integrated logistics network

Minimal handovers
