

MyFinance tool on [Maersk.com](https://www.maersk.com)

Experience the convenience of digital payment in a few easy clicks

Managing your shipping bills can be a cumbersome and time-consuming task, especially if you are dealing with multiple shipments of cargo heading to different destinations. But with MyFinance, our web-based finance management tool, bill management is now easier and more convenient than ever before.

With MyFinance, you can manage your transactions from anywhere and at any time. You don't have to worry about visiting physical payment centers or mailing checks. All you need is a computer or smartphone and an internet connection. Whether you're paying off an invoice, receiving a refund, or settling a dispute, get it all sorted in just a few easy clicks. Get a consolidated view of your payment history, due dates, and payment amounts, and set reminders to notify you when bills are due.

Money matters made simple

With more than 20 intelligent features, MyFinance lets you experience fund transfers five times faster with complete transparency and security.

View and download invoices

View charges in one click, download multiple invoices as PDFs or export them as Microsoft Excel files, then as Microsoft Excel files.

Agent access

You can grant controlled access to third-party agents so they can make payments, download invoices, and raise approval requests on your behalf.

Easy online payments

Leave cheques and cash aside. Make hassle-free online payments on the go.

Dispute management

Log disputes and track them as they get resolved faster than before.

Get even more from MyFinance

Check your balance

No more calls or queues. View your balance within seconds, right on the dashboard.

Protected under PCI DSS compliance

All card payments through MyFinance are PCI DSS compliant to ensure secure transactions.

Easy search

Search through single or multiple invoices or B/L numbers to find the exact invoice or payment receipt.

Instant submission of proof of payment

You can submit proof of payment directly on MyFinance to initiate cargo releases faster.

Get started with MyFinance today and access information like your account balance, upcoming payments, outstanding invoices, payment status reports and more, without so much as switching your screen.
